

Communicate your corporate goals and objectives to the academic, biotechnology and pharmaceutical community

about us | advertising / sponsorship

hum-molgen is

one of the world's largest Internet sources for the latest information in human molecular genetics. Our service consist of a vertical portal site at http://hum-molgen.org and the mailing-list HUM-MOLGEN@nic.surfnet.nl.

Since 1994 we provide the opportunity to communicate with scientists, physicians and other genetics professionals worldwide. HUM-MOLGEN has well-established services including the diagnostics and clinical research section, short reports of academic and non-academic news, a database of conferences, training courses and career opportunities, and a comprehensive registry of 2.000 biomedical companies.

defined target group

HUM-MOLGEN enables you to reach biologists and clinicians interested in molecular medicine around the world:

Mailing-list regular newsletter to 9.500 subscribers

representing 86 countries

World wide web 1.450,000 visits from 406,000 distinct

Internet sites in 2003

Educational level 63% Ph.D., 25% BS or MS, 12% MD/Others

Employment 64% University or college, 11 % private industry,

11% Government agency, 14 % non-profit

organization

Location 47% USA, 8% Great Britain, 6% Germany,

4% Canada, 4% Japan, 3% France, 3% Italy

about us | advertising / sponsorship

sponsorship

HUM-MOLGEN offers you the chance to contact a global open-minded audience interested in molecular biological technologies, bioinformatic solutions and diagnostic tools. Approximately 75% of our users hold a doctoral degree (Ph.D. or MD) and work as research directors, head of departments, research scientists and physicians. Therefore you can target the decision-maker for future investments.

Minor sponsor

- sponsorship of one news alert (9.500 recipients) and
- banner advertisement (250 click throughs)

Euro 2,000

Major sponsor

- sponsorship of four news alerts within one year
- banner advertisement (12 months)
- acknowledgement in hum-molgen brochures

Direct and / or indirect support (location / travel expenses for editorial meeting (10 persons) / technical assistance / sponsored advertisements within scientific journals or company specific catalogues / newsletters)
